## EXPERIENCE

### **Software Developer, Halogen Guides, LLC; San Francisco, FL 2007-2008**

Saw through the development and deployment of two major new sites. Architected the extraction of the lead generation system within an existing application into its own application, and made it available to the rest of the sites in the network using a service-oriented design. Wrote the coding standards to be used by the development and design teams. Projects include [www.halogenguides.com](http://www.halogenguides.com) and [jets.halogenguides.com](http://jets.halogenguides.com).

### **Developer, Central Florida Investments, Inc.; Orlando, FL 2006-2007**

Responsible for the development and maintenance of both internal intranet applications and public production sites. Worked with Java, ColdFusion, and Flex, and integrations between them using a service oriented architecture. Helped to codify the coding standards for the web team. Projects include [www.hotelscorp.com](http://www.hotelscorp.com), and [www.roomtastic.com](http://www.roomtastic.com).

### **Developer, The Online Outpost, Inc.; Tampa, Florida 2005-2006**

Designed and developed the AuctionSound auction inventory management web application and franchisee intranet. Responsibilities include the development of supporting back-end framework, user interface improvements, refactoring of legacy code, server administration, and project management.

### **Web Developer, siteservices.net, Inc.; Winter Park, Florida 1999-2005**

Designed, developed, and maintained web sites with database interfaces primarily using PHP and PostgreSQL. Assisted development and performed usability testing of a software function library and support utilities. Clients include [www.dailyink.com](http://www.dailyink.com), [www.floridajobs.com](http://www.floridajobs.com), [www.atticsonline.com](http://www.atticsonline.com), [www.seminolesheriff.org](http://www.seminolesheriff.org).
